IDZOR TAB730 Mini-Tablet

Android / WiFi / Bluetooth /
3G / Dual SIM card

Product Features

Android 6.0 operating system

IDZOR TAB730 designed according to user requirements. Work with applications, watch the video, listen the music and download what you need from Google Play. Cloud integration provides a seamless experience across all Android devices.

7" screen with 1024x600 resolution

High pixel density, clear drawing of details make this screen optimal for web browsing, studying, reading and streaming content.

8GB internal storage plus microSD slot

The memory can be used for applications, audio and video files, photos and for store any other information you need. Expand the memory card microSD to 256 GB (sold separately).

The optimally balanced processor

Quad core 1.2GHz processor and 1GB DDR3 deliver outstanding overall performance for opening and running applications, flipping through menus and working with various content.
